## SUMMARY

Result-oriented Full Stack Developer with 2+ years of experience in developing web applications. Proficient in a wide range of front-end and back-end technologies, with a strong track record of delivering high-quality software solutions.

## EXPERIENCE

### Software Engineer

Citiustech

November 2021 - Present, Navi Mumbai

- Built RESTful API using NodeJS and Express, handling data retrieval and manipulation, resulting in improved application speed.
- Collaborated with the design team to create responsive and user-friendly front-end interfaces, ensuring a seamless user experience.
- For state management used Redux library and implemented payment gateway Paypal.
- Collaborated in an Agile environment, actively engaging in Scrum ceremonies to ensure seamless coordination, sprint planning, and timely delivery of high-quality software solutions.
- Utilized Jest for rigorous unit testing, ensuring the robustness and reliability of code implementations in a test-driven development (TDD) approach.

## PROJECTS

### Therapy Brands

Citiustech • December 2021 - November 2023

- Gathered the requirements from Business Analyst and Clients, and converted the requirements into project plans.
- Developed a secure RESTful API using NodeJS and Express, and to create responsive and ensure optimal user experience across different devices and screen sizes used React and Component Library.
- Proactively contributes to the company's knowledge-sharing initiatives, fostering a collaborative environment by sharing expertise and insights to enhance team learning and development.

### Ecommerce Web Application

<https://dresswell.cyclic.app/> • December 2022 - March 2023

- Developed a comprehensive ecommerce web application from conception to deployment, leveraging the MERN stack (MongoDB, Express, React, Node.js) for seamless integration and optimal performance.
- Implemented real-time updates for the cart and order status, enhancing user engagement and providing timely information on the shopping process.

## EDUCATION

### Bachelor of Engineering in Computer Science

University of Mumbai • Mumbai • 2021 • 6.75 CGPA

### H.S.C

Maharashtra State Board • Mumbai • 2017 • 62.62%

### S.S.C

Maharashtra State Board • Mumbai • 2015 • 81.20%

## SKILLS

Front End: HTML, CSS, JavaScript, React, Redux, Material UI, Chakra UI

Back End: NodeJS, Express

Database: MongoDB, MySQL, MSSQL

Programming: JavaScript, Python, SQL, NoSQL, C#
